Creating HOPE: Developing Communities of Care for Children, Youth, Young Adults, and Families

TUESDAY, MARCH 23, 2010

Omni William Penn Hotel, Pittsburgh, PA

The conference is intended for families, educators, social workers, psychologists, psychiatrists, community staff, and others interested in the development and improvement of behavioral health services. Presenters will address children's behavioral health topics and highlight the work that is being done to improve and expand behavioral health services for children, youth, young adults, and families.

Keynote and workshop topics will include:

- Children's services in Allegheny County.
- School-wide positive behavioral supports.
- The Sanctuary Model of Trauma Informed Care.
- Substance use issues.
- Foster care collaboration.
